Life-Cycle-Exceptions

Product Family MAS 72x-T

Type	Item	Life-Cycle		Description
CPU 727-DT	44120330	P6	2012 - 2014	To ensure module availability, we recommend using the CPU 727-DT only for existing projects or option projects. For new projects, please contact Product Management. A successor model is in the planning stage.
		P7	2014 - 2018	
		P8	2018 - 2023	
HMI 712-T	44150012	P8	2020 - 2025	Due to obsolescence reasons, the HMI 712-T is no longer available. The successor module is the HMI 301-TW.
